Organisation Profile:	<p>Metcash Limited (Metcash) is Australia's leading wholesale distribution and marketing company specialising in grocery, fresh produce, liquor, hardware and other fast moving consumer goods. Metcash champions the interests of the independent grocery, liquor and hardware sectors through its core competencies of buying, merchandising, marketing, brand building, distribution logistics and warehousing. This includes Metcash being the brand owner for a range of around 4,000 SKUs, covering corporate and controlled brands, fresh produce, and non-trade products. Metcash also conducts secondary processing and packaging of fresh meat products. With the support of its customers, independent retailers, Metcash is the "third force" in the Australian grocery retailing market. Metcash has four divisions, often referred to as business pillars, each operating in a distinct wholesaling industry segment; n IGA Distribution (including IGA Fresh, the specialist fresh food division); n Australian Liquor Marketers n Campbells Wholesale; and n Mitre 10. All business pillars are fully owned by Metcash with the exception of Mitre 10, which is 50.1% owned. Mitre 10 will maintain its own membership with the Australian Packaging Covenant and coordinate their own reporting until further notice. Synergies between Metcash and Mitre 10 will continue to be openly discussed. Metcash's customers are, predominantly, independently owned grocery and liquor stores. With the acquisition of Mitre 10 in March 2010, Metcash has broadened its customer range to include independent hardware stores. Metcash operates in Australia and New Zealand, has over 5,000 employees, and in the 2009/10 financial year, generated sales of \$11.5 billion, with unpackaged fresh sales making up \$1 billion of these sales.</p>
