

About your organisation			
Name of the organisation:	Rabobank International		
Membership number:			
What is the primary activity or product of your organisation?	Financial Institution		
Operations and certification progress			
Activities undertaken to promote sustainable palm oil to date	Rabobank is member of the executive board of the RSPO and active in different working groups (Communications WTG, Grievance panel, Finance Committee). Furthermore		
Does your organisation have a lending or investment policy on palm oil?	yes, the first palm oil policy was established in 2005 and was updated in 2009. The Palm Oil Supply Chain Policy applies to all commercial banking services such as credit facilities, project finance, advisory services and trade finance provided by Rabobank in the palm oil sector. The policy will be applied to new financing agreements and financing agreements that predate this policy upon their renewal or as they become due for annual review. The policy provides conditions for assessing upstream companies (palm oil growers and mills). Downstream companies (traders, processors, manufacturers, wholesalers and retailers) will be assessed on	Does the policy on palm oil specify CSPO?	Yes, as RSPO certified palm oil and/or sustainably produced and RSPO certified palm oil.
Of the oil palm grower, miller and refiner clients or prospects you engaged with, how many have consequently become RSPO members (# in the reporting period only)	In practice all our upstream clients are member of the RSPO. During the year we have had one engagement which led to membership (prospect).	how many are you currently still working on?	none with a view of making members/three with a view of increasing adherence to P&C's.
