

About your organisation			
Name of the organisation:	Cremer Oleo GmbH & Co. KG		
Membership number:			
Organisation Profile:	<p>From the Cremer headquarters in Hamburg, Cremer Oleo coordinates the global marketing, production and logistic activities of its subsidiaries and branches located around the globe. Cremer Oleo's core activities include the worldwide sourcing of naturally derived oleo chemical raw materials, processing, warehousing and supplying customers in various industries with products customized to their needs. Cremer Oleo is committed to exceptionally high standards of quality, sustainable production, appropriate storage facilities and on time delivery. The products range from fatty acids, esters, glycerine and fatty alcohols to soap noodles, innovative cosmetic ingredients and specialty food ingredients. We understand our customers' needs and develop a culture of innovations and continuous improvement that creates value for our customers, our employees, our society and the environment. As an important division of Cremer, Cremer Oleo can rely on the organisation's worldwide network of innovative businesses and subsidiaries. Thanks to this global network we are able to locally offer our customers in the respective market sectors a range of individually tailored delivery solutions and comprehensive service packages.</p>
