

<b>About your organisation</b>			
<b>Name of the organisation:</b>	Sumatran Orangutan Society (SOS)		
<b>Membership number:</b>			
<b>What is the primary activity or product of your organisation?</b>	The Sumatran Orangutan Society is dedicated to the conservation of Sumatran orangutans and their forest home. Our international branches raise awareness of the threats facing wild orangutans, and raise funds to support grassroots conservation projects in Sumatra. Together with a team of committed Indonesian conservationists, we work with local communities living alongside orangutan habitat. We plant trees to restore damaged ecosystems and provide training to help the local people work towards a more sustainable future for their forests.	<b>Other, please specify</b>	
<b>Operations and certification progress</b>			
<b>Activities undertaken to promote sustainable palm oil to date</b>	We encourage our supporters to request that the retailers and manufacturers of the products they buy commit to sourcing CSPO. In March 2011 we launched the Clear Labels, Not Forests campaign, which supports the mandatory labelling of palm oil on food packaging as a mechanism to drive demand for CSPO from European food manufacturers.
