Related information

State your policy on palm oil (Please provide links, upload attachments or complete the text box)

Please provide links for reports that may be relevant to Sustainable Palm Oil.

Bunge only purchases palm oil for its own use from suppliers that are RSPO members and which have achieved RSPO certification or are committed to achieving RSPO certification and are working actively toward that end.

Bunge is increasingly sourcing certified palm oil as available volumes increase and our customers begin to integrate it into their products. We source RSPO-certified oil in Europe and use GreenPalm certificates in the U.S. We have RSPO-certified refineries in the United States
