Time-bound plan

Time-bound plan - Year expected to achieve 100% supply chain certification

When that applies to all the plantations in Colombia, and when those plantations start to work with the certification. Unfortunately that process is still too young in the country

What are your interim milestones towards achieving this CSPO Commitment (year and progressive CSPO%) - please state annual targets/strategies

Acepalma is following the process leading by Fedepalma in the country, and according to that will advance in the management of certified palm, but Fedepalma is who is leading the process with colombia

Time-bound plan - Year expected to supply 100% certified sustainable palm oil

That depends on the development of the certification In the country

What are your interim milestones towards achieving this CSPO Commitment (year and progressive CSPO%) - please state annual targets/strategies

As said before, we following that Fedepalma is leading.

Targets for next reporting period

Outline actions that will be taken in the coming year to promote sustainable palm oil:

Continue to promote the certification between our palm oil suppliers and expecting that with Fedepalma continue to grow the plantations certified.
