2020

What are your interim milestones towards achieving this CSPO Commitment (year and progressive CSPO%) - please state annual targets/strategies

None as yet. We are hampered by willingness of customers and buyers to pay premium for sustainable palm since suppliers of such are charging premium!. Our ability to supply segregated for instance also limited by progress made by our JV partner to produce segregated palm oil.

Targets for next reporting period

Outline actions that will be taken in the coming year to promote sustainable palm oil:

None set as yet. We are able to supply MB and segregated provided there are customers willing to pay for it.
