Time-bound plan

Time-bound plan - Year expected to achieve 100% supply chain certification

What are your interim milestones towards achieving this CSPO Commitment (year and progressive CSPO%) - please state annual targets/strategies

once again once our buyers require certification we will adhere to this, however we live in a competitive world and with the current premium for certified oil we would price ourselves out of the market

Time-bound plan - Year expected to supply 100% certified sustainable palm oil

2020

What are your interim milestones towards achieving this CSPO Commitment (year and progressive CSPO%) - please state annual targets/strategies

we will follow all developments and issues and inform our buyers also what is happening

Targets for next reporting period

Outline actions that will be taken in the coming year to promote sustainable palm oil:

we keep informing our buyers and are waiting for them to change into certified oils
