**20.1. If none, please specify if/when you intend to develop one**

--

---

**21. What steps will your organization take to minimize its resource footprints?**

optimize/minimize packaging material, use re-usable containers, use mostly electronic marketing material and less prints to save paper; increase our PV panels to generate 25% of our electricity needs on our premises

---

**22. What steps will your organization take to realize ethical conduct using business-applicable regulations and industry practices?**

We are a member of the SFTA and we are developing a business ethic agreement to be used for us and our vendors ==> [Click here to visit the URL](#)

---

**23. Has your company supported any community programmes on its own or through partnerships? How do you benchmark the impacts of these programmes?**

We supported and donated food and money to a good number of local community based organizations - No benchmarking done
