### 9. Time-bound plan - Year expected to achieve 100% RSPO certification of all supply chains

2016

---

### 10. What are your interim milestones towards achieving this RSPO certification commitment (year and progressive CSPO%)?

Silbury policy is to only buy RSPO products where they are available. We are pushing all suppliers to switch over other previously non available products over by 2015 latest. Only products not currently available are hydrogenated products and ones with palm kernel stearine or similar fractions.

---

### 11. Timebound plan - Year expected to only 'handle/supply' RSPO certified oil palm products

2016

---

### 12. What are your interim milestones towards achieving this RSPO certification commitment (year and progressive CSPO%)?

As above, Silbury are insisting that all new products are RSPO approved and that existing products not currently covered are switched as soon as available.

---

### 13. How do you promote RSPO and RSPO certified sustainable palm oil to your customers proactively?

Silbury were one of the first suppliers of packed palm oil in the UK and are in constant dialogue with our customers of our actions to extend this. Silbury have actively maintained our supply chain certification even though as a trading company we do not need to do so.
