Operational Profile

1.1. What are the main activities of your organisation?

Private Label lip care production

1.2. Activities undertaken to promote sustainable palm oil, the RSPO and/or members in the reporting period

we have no own brands, so we undertook no actions

1.3. Do you have any collaborations with the industry players/private sector to support them in the market transformation towards CSPO?

No

If yes, please give details:

--

If not, please explain why:

we are a private label manufacturer

1.4. Did members of your staff participate in RSPO working groups/taskforces in the reporting period?

No

1.5. What percentage of your organization's overall activities focus on palm oil?

10

1.6. How is your work on palm oil funded?

we use only palm oil derivatives, wherever feasible in RSPO quality. There are no extra RSPO funds.

Actions for Next Reporting Period

2.1. Outline actions that will be taken in the coming year to promote sustainable palm oil.

As we have no own brands, there are no promotional activities planned.
We will continue to attempt using more RSPO certified palm derivatives.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

We use only palm derivatives.

They are sometimes not available in RSPO quality. Some are exceedingly expensive compared to standard qualities. We work in these cases with Green Palm Book&Claim.

2 How would you qualify RSPO standards as compared to other parallel standards?

--

Cost Effective:

No

Robust:

Yes

Simpler to Comply to:

No

3 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We offer preferably formulations with certified palm derivatives to our potential customers. Our customers prefer formulations avoiding palm products. so we try to inform them about the ecological advantages of palm oil compared to other oils.

4 Other information on palm oil (sustainability reports, policies, other public information)

We try to inform our customers about the ecological advantages of using palm oil compared to other oils.
