Operational Profile

1.1. What are the main activities of your organisation?

Hydrocolloid suppliers, stabiliser systems, milling/blending, Indian chutneys and pastes, Spray Crystallised (Cryo cooled) fat powders, roux powders, REAL chocolate powders, integrated icecream stabilisers, encapsulated minerals.

1.2. Activities undertaken to promote sustainable palm oil, the RSPO and/or members in the reporting period

Customer visits and samples. Campaigning for a wider range of SG suppliers. New product development. Magazine articles.

1.3. Do you have any collaborations with the industry players/private sector to support them in the market transformation towards CSPO?

Yes

If yes, please give details:

We work confidentially with the main industry players to support them in the market transformation to CSPO.

If not, please explain why:

--

1.4. Did members of your staff participate in RSPO working groups/taskforces in the reporting period?

No

1.5. What percentage of your organization's overall activities focus on palm oil?

10

1.6. How is your work on palm oil funded?

Privately

Actions for Next Reporting Period

2.1. Outline actions that will be taken in the coming year to promote sustainable palm oil.

Transferred existing customers to SG products. Constantly promoting our SG range of Palm fractions. Regular discussions with suppliers to improve the SG supply situation.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

There is still a shortage of suppliers of segregated sustainable palm fractions. We are constantly searching for new suppliers.

2 How would you qualify RSPO standards as compared to other parallel standards?

--

Cost Effective:

Yes

Robust:

Yes

Simpler to Comply to:

Yes

3 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We only engage with large multinational food companies. We written articles in trade magazines promoting sustainable products and are usually the first in the UK to develop these products.

4 Other information on palm oil (sustainability reports, policies, other public information)

There has been since 2015 a slow but steady increase in sales of our sustainable products. We expect this to continue.
