--

Cost Effective:

Yes

Robust:

Yes

Simpler to Comply to:

Yes

3 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Takes every outreach opportunities.

4 Other information on palm oil (sustainability reports, policies, other public information)

The RSPO, it is clear the effort to the dissemination and promotion. However, for small insdustrias like ours, it is difficult to allocate human and financial resources that can return the market. There should be a model "easy" adjusted to this reality, where the lead is taken by larger companies.
