Operational Profile

1.1. What are the main activities of your organisation?

Blending and packing bread, cake and flour blending into both retail and trade formats.

1.2. Activities undertaken to promote sustainable palm oil, the RSPO and/or members in the reporting period

- All new suppliers as part of the approval process will be asked to declare their RSPO status if providing us with goods containing Palm Oil. - The validity of the certificates is checked annually using the RSPO website, the pdf is downloaded and saved as proof of the inspection. - The RSPO declaration will be included on all relevant product specifications. This will include the Mass Balanced Classification and our Registration Number. - Where relevant the description of the finished product will show our supply chain model (MB). This will appear on the delivery notes which are sent to customers. - The trade packaging labels will include our supply chain model (MB) and our registration number to ensure visibility to our trade customers. - All relevant staff shall be trained against the RSPO procedure; a record of this will be kept in their individual training records and reviewed annually.

1.3. Do you have any collaborations with the industry players/private sector to support them in the market transformation towards CSPO?

No

If yes, please give details:

--

If not, please explain why:

Not necessary.

1.4. Did members of your staff participate in RSPO working groups/taskforces in the reporting period?

No

1.5. What percentage of your organization's overall activities focus on palm oil?

10

1.6. How is your work on palm oil funded?

All products containing palm oil are RSPO accredited and purchased as part of our raw material purchasing.

Actions for Next Reporting Period

2.1. Outline actions that will be taken in the coming year to promote sustainable palm oil.

Continue to purchase only accredited palm oil.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

We struggled to ensure that our suppliers had the correct information on their paperwork.

2 How would you qualify RSPO standards as compared to other parallel standards?

--

Cost Effective:

Yes

Robust:

Yes

Simpler to Comply to:

Yes
