Time-Bound Plan**2.1 Date of first supply chain certification (planned or achieved)**

2010

2.2 Time-bound plan - Year expected to achieve 100% RSPO certification of all supply chains

2015

2.3 What are your interim milestones towards achieving this RSPO certification commitment (year and progressive CSPO%)? Please state annual targets/strategies.

We are an industry association, chair and run the secretariat of the Dutch Alliance on Sustainable Palm Oil (national commitment), formerly known as Dutch task Force on Sustainable Palm Oil. The Dutch commitment as defined in 2010 committed 100% CSPO for Dutch market by 2015. Current known figure is 72% CSPO processed in Dutch food industry in 2014.

2.4 Timebound plan - Year expected to only "handle/supply" RSPO certified oil palm products

2015

2.5 How do you promote RSPO and RSPO certified sustainable palm oil to your customers proactively?

We create awareness and support companies and organisations working towards sustainable palm oil. We also engage companies and sectors not yet involved. We do this both from MVO as association point of view as well as in our position as chair of the DASPO

Actions for Next Reporting Period

4.1 Outline actions that you will take in the coming year to promote CSPO use along the supply chain

As MVO - The Netherlands Oils and Fats Industry, we will promote CSPO in our internal and external communications as we did in all previous years. Together with other DASPO members (food and feed associations in the Netherlands) we will move towards a more sustainable supply chain demand. Within ESPO, we will align and support activities on SPO from national initiatives in Europe. Create and provide information and knowledge on sustainable palm oil supply chain. Work on progress report that monitor the use of CSPO in Europe. Assist Dutch ministry of Foreign Affairs to create support for SPO at national and EU level.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Involvement of new sectors and countries has shown to be rather complex. Therefore we put a lot of effort in engagement and outreach in cooperation with other EU stakeholders. We would like to build on what currently exists and try to find cross-national linkages. A key element in this is also insight in use of CSPO in Europe. We plan to continue work related to this with RSPO in the coming period.

2 How would you qualify RSPO standards as compared to other parallel standards?

--

Cost Effective:

Yes

Robust:

Yes

Simpler to Comply to:

No

3 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

MVO works in partnership with IDH, The Sustainable Trade Initiative to support and promote the uptake of CSPO. This we do by: Supporting and funding national initiatives in Europe Active involvement in European discussions on SPO work on monitoring reports align and coordinate activities in EU level involve new sectors and countries in SPO debate Create government support and involvement in SPO debate
