- 

**Please indicate when the procedures would be set up and put in place.**

Mostly the social conflicts are internal and are caused by land contributors in the partnership scheme and frequently it crops when absurd demands or personal favours are politely turn down . Access roads to the planted fields or estate office / managers' houses are blocked in retaliation to intimidate the management . In such scenario, the village heads or elders and the local sub-district office are sought to resolve the conflicts amicably.

---

**9.2 Has your Group any ongoing land conflict?**

No

---

## Challenges

**1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?**

i. The company's permit is for 20,224 ha however land available for palm development is about 7000 ha as the remaining mainly constitutes subsistence farming, HCV areas and steep areas exceeding 25 degrees slope. ii. Economically not viable as further development is limited. iii. Social problems at Landak district does not encourage continued investments.
