At Rita Corporation we have many technical sales representatives that proactively offering RSPO certified products to all current and new customers. We also have a full formulations lab, which allows us to formulate with RSPO products and inform the customer at the formulation level the benefits of using certified sustainable palm/pko products. As we continue to move towards RSPO products, we will have marketing developments in the future which allow Rita Corporation to have a full marketing campaign for RSPO derived products. One of our largest hurdles is the customer/end user is not making the adjustments necessary to manufacture with RSPO materials.
