There is no associated smallholders under Tian Siang Holdings Sdn Bhd management .

4.4 Year expected to achieve 100% RSPO certification of scheme and associated smallholders and outgrowers**Comment:**

Independent smallholders are having difficulties to meet current version of RSPO P&C due to lack of interest by the certain owner, technical advised and GHG issue.

Need more time to mitigate all issues of non-compliance to RSPO P&C before actual certification can be carried out.

Independent Outgrowers are also unable to meet up with the current RSPO P&C due to lack of interest, technical advise, GHG issues & lack of resources.

Working with independent smallholders by providing plantation management technical expertise to assist the smallholders in upgrading their current field practice to meet RSPO P&C minimum requirement.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Technical assessment required hiring external consultant to conduct the assessment eg; SEIA & HCV which are very costly. Working closely with consultant to find agreeable terms and condition for the task in which directly providing in-house training to our sustainability management team.

2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

The company currently working with independent smallholders & Outgrowers to get themselves certified with RSPO P&C .This is a very challenging task since they need to aware and convinced the economic returns of being RSPO membership besides initial capital to upgrade facilities in their fields. They have very limited resources and lack of fundings. As RSPO member, Tian Siang Holdings Sdn Bhd to assist them by providing technical advised and in terms of record-keeping an in-field good management practice.
