None of the above

7.2 What best practice guidelines or information has your organization provided in the past year to facilitate the uptake of RSPO certified sustainable palm oil and oil palm products? What languages are these guidelines available in?

Comment:

In our company we created a training which explains what is sustainable palm oil and the aim of RSPO organism. This training is distributed to every department concerned by the palm oil use. Our intern Policy and goal is to use only certified palm oil for all the products.
Those files are confidential.

GHG Footprint

8.1 Are you currently reporting any GHG footprint?

No

Please explain why

We currently reports GHG footprint, but those files are confidential.

Support for Smallholders

No

Do you have any future plans to support independent smallholders?

No

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Our customers don't want to support RSPO extracost. They prefer products without palm oil. In one hand, we try to remove or to decrease palm oil use in our recipies. In the other hand, we expect to be using 100% RSPO certified sustainable palm oil.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We don't communicate about our raw materials, but even if our clients do not ask us, we are engaged to be using only certified palm oil for the next years.
