-

1.3 Membership number

8-0152-14-000-00

1.4 Membership category

Affiliate

1.5 Membership sector

Individuals

Affiliates**Operational Profile****1.1. What are the main activities of your organisation?**

Within the activities contemplated in our organization, we have:

1. Environmental and human rights education
2. Care and conservation of forests and water resources.
3. Realization of social and environmental impact assessments
- Four

1.2. Does your organization use and/or sell any palm oil?

Fundacion Proyeccion Eco-Social, is a non-profit organization that promotes good social and environmental practices. We do not use, nor do we market palm oil

1.3. Activities undertaken to promote sustainable palm oil, the RSPO and/or members in the reporting period

1. Support and Promotion in the zero deforestation agreements of the oil palm sector in Colombia.
2. Execution of the project called La revolucion de la cero deforestacion; breaking the link between agricultural products and the loss of forests.
3. Conducting social impact assessments of three palm oil companies in Colombia Agropecuaria Santamaria S.A .; Cimarron oils S.A.S. Zona Franca and Vitis Olei S.A.S.

1.4. What percentage of your organization's overall activities focus on palm oil?

50%

1.5. Did members of your staff participate in RSPO working groups/taskforces in the reporting period?

Yes

1.6. Do you have any collaborations with the industry players/private sector to support them in the market transformation towards CSPO?

No

If yes, please give details:

--

If not, please explain why:

No alliances have been created with companies in the palm oil sector, we are in the process of building them.

1.7. How is your work on palm oil funded?

The project is financed with support from international cooperation of the Norwegian government, in conjunction with the National Wildlife Federation, University of Wisconsin

Actions for Next Reporting Period**2.1. Outline actions that will be taken in the coming year to promote sustainable palm oil.**

1. Support the promotion of palm oil free of deforestation
2. Generate strategies of respect for human rights and the environment.
3. Promote food security through productive projects

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

The impacts that we have found in the oil palm sector have been found: 1. Decrease in water resources due to drainage channels
2. Informality in the labor hiring system. Work has been carried out so that the plantations have good agricultural practices.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

La Fundación Proyección Eco-Social has been linked in different areas such as TFA 2020 chapter Colombia, we have participated in the public consultation of updating of the principles and criteria.

3 File -Please attach or add links to any other information from your organisation on your policies and actions on palm oil (EG: sustainability reports, policies, other public information)
