## Actions for Next Reporting Period

**5.1 Outline actions that you will take in the coming year to promote the use of RSPO certified sustainable palm oil and oil palm products along the supply chain**

We will try to continue to socialize our requirements with all of our top suppliers explaining the key points and definitions.

We will also use this interaction to request traceability information from these suppliers.

We expect that our suppliers will develop their own commitments for responsible palm sourcing (if not already established), or commit in writing to meet our requirements.

Subsequently, we will meet regularly with our top direct suppliers to track their actions taken to comply with our commitment.

We are going to promote the use of RSPO certified sustainable palm oil by using RSPO trademark logo on labels of RSPO MB certified products, by using RSPO Trademark on our Company website and by promoting our RSPO MB certified products by sales managers to all customer from cosmetic sector.
