Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

The cost acceptance remains the biggest hurdle to RSPO related products.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Magnakron employees have increased their participation in trade committees to hear about the latest sustainability practices throughout not just the Palm industry, but the entire chemical industry. We hope to learn more from these exchanges and also voice our opinions and promotion of RSPO as a sustainability program.
