If target has not been met, please explain why:

As an Independent Bulk Storage Operator we do not trade/process any RSPO-certified palm oil and oil palm products.

3.5 Which countries that your organization operates in do the above own-brand commitments cover?

Netherlands

3.6 How do you proactively promote RSPO and RSPO certified sustainable palm oil and oil palm products to your customers?

By being a member of RSPO we facilitate Sellers and Buyers through the supply chain storage facilities and administration systems in Rotterdam for their RSPO certified palm oil and oil palm products flows. We proactively inform our (potential) customers and stakeholders that we are an RSPO certified storage terminal.

Trademark Use**4.1 Do you use or plan to use the RSPO trademark on your own brand products?**

No

If target has not been met, please explain why:

As an independent Bulk Storage Operator we do not own the products.

Actions for Next Reporting Period**5.1 Outline actions that you will take in the coming year to promote the use of RSPO certified sustainable palm oil and oil palm products along the supply chain**

1. Keep systems in place to facilitate storage and handling of RSPO certified sustainable palm oil and oil palm products along the supply chain. 2. Promote through the supply chain our role to support Sellers and Buyers in their efforts to do business the RSPO-way.

Reasons for Non-Disclosure of Information**6.1 If you have not disclosed any of the above information please indicate the reasons why**

GHG Footprint

8.1 Are you currently reporting any GHG footprint?

No

Please state if you have any future plans to do so?

Publication of GHG emissions is not common practice in The Netherlands, however they are available upon request.

Support for Smallholders

9.1 Are you currently supporting any independent smallholder groups?

No

Do you have any future plans to support independent smallholders?

No

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

As stated before we are an independent bulk storage terminal and therefore we do not produce or trade palmoil and palm oil products. However, we will always promote and facilitate the use of RSPO certified products

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We continuously keep track of new developments through RSPO and other players and stakeholders in the market
