**Brief information about Applicant**

KL-Kepong Berhad is amongst the largest plantation companies in Malaysia, with a land bank of close to 285,000 hectares, spread across Malaysia (Peninsular and Sabah), Indonesia (Belitung Island, Sumatra, Central and East Kalimantan) and Liberia. In terms of geographical distribution, approximately 51% of the plantation landbank is located in Indonesia, 26% in Peninsular Malaysia, 15% in Sabah and 8% in Liberia. Oil palm as the predominant crop covers 95% of the planted area and rubber covering 5%.

Processing of the FFB crop is carried out at KLK’s own mills and KLK also operates four (4) refineries which process crude palm oil into RBD palm oil, RBD olein, RBD stearin, and PFAD.

Lung Manis POM is located in Lahad Datu, Sabah, Malaysia and have five (5) supply bases which are Lungmanis Estate, Bukit Tabin Estate, Tungku Estate, Rimmer Estate and Sg. Silabukan Estate.

Control Union Malaysia Sdn Bhd is a member of the Control Union - an international inspection and certification body. CUC performs assessments and certification in many agricultural based fields such as FSC, RSPO, and Organic production, Sustainable Textile Production, Organic Exchange, GLOBALGAP, HACCP, BRC, GMP. Control Union Malaysia Sdn Bhd is accredited for RSPO (RSPO-ACC-021) for the scope of P&C (Single Site & Group) and SCCS worldwide. When requested, a copy of the accreditation certificate can be obtained from CUC.

Stakeholder consultation is one of the most important parts in certification process; during which relevant national, regional as well as local stakeholders are asked to give their views and opinions as to whether the applicant’s certification units comply with the requirements of the applicable National Interpretation.

We invite all stakeholders to take part in this consultation procedure as you can make a positive contribution to the certification decision. We ask you to raise any issues, both positive and negative, by sending a written response by mail, fax or by E-mail to our Control Union Malaysia Sdn Bhd office as indicated below.

For your guidance, you may consider the following points:

- Environmental protection.
- Biodiversity conservation.
- Opportunities for employment.
- Provision of housing, sanitation, amenities and educational support.
- Company approach to community development.
- Participation in decision making.
- Any other issue, both positive and negative that you consider may be of relevance to the assessment.
- Issues relating to other plantations owned by the company not included in this assessment.
- A copy of the applicable RSPO standard for the country, in which the assessment is being conducted, is available from www.rspo.org. Alternatively please ask Control Union Malaysia Sdn Bhd for a copy.

Your responses will be dealt with in complete confidentiality and will only be distributed to the appropriate persons within the organizations of CUC, ASI and RSPO.

When required your reply will remain confidential. Please add “Confidential” in your response and when preferred your response can be added as anonymous in the public summary of the report. In that case please also add “Anonymous” in your response.

If requested by you, the audit team will make the necessary arrangements to allow you to meet with them during the evaluation.
