Brief information about Applicant	<p>Wild Asia (WA) is a Malaysian-registered company (Reg. No: 634446-W) that operates as a social enterprise—an organization driven by social or environmental missions rather than the pursuit of profit or shareholder returns. In essence, WA functions as a not-for-profit entity, generating income primarily through consultancy, training, and related services.</p> <p>To support oil palm producers in the palm oil sector, WA established the Wild Asia Group Scheme (WAGS). This initiative was created to address the unique challenges faced by small producers, helping them to adopt better agricultural practices and align with international standards such as the RSPO. WAGS is a community development programme designed to improve farmers' livelihoods through higher yields, reduced environmental and social risks, and improved access to sustainable palm oil markets.</p> <p>WAGS collaborates with supply chain stakeholders, international donors, and national organizations to build local support teams that guide and certify oil</p>
--	---

	palm producer groups. Launched in 2012, WAGS is active in Malaysia and Thailand and currently supports 3,328 small producers, producing a total of 402,350 mt of fresh fruit bunches (FFB) (out of which 211,604 mt are RSPO-certified).

OTHER MEMBERS		
AUDIT ROLES	NAME	REMARKS
Trainee Auditor	Syed Aqil aqiel@controlunion.com	To fulfill requirement to qualify as a RSPO auditor.

Control Union Malaysia Sdn Bhd is a member of the Control Union - an international inspection and certification body. CUC performs assessments and certification in many agricultural based fields such as FSC, RSPO, and Organic production, Sustainable Textile Production, Organic Exchange, GLOBALGAP, HACCP, BRC, GMP. Control Union Malaysia Sdn Bhd is accredited for RSPO (RSPO-ACC-021) for the scope of P&C (Single Site & Group) and SCCS worldwide. When requested, a copy of the accreditation certificate can be obtained from CUC.

Stakeholder consultation is one of the most important parts in certification process; during which relevant national, regional as well as local stakeholders are asked to give their views and opinions as to whether the applicant's certification units comply with the requirements of the applicable National Interpretation.

We invite all stakeholders to take part in this consultation procedure as you can make a positive contribution to the certification decision. We ask you to raise any issues, both positive and negative, by sending a written response by mail, fax or by E-mail to our Control Union Malaysia Sdn Bhd office as indicated below.

For your guidance, you may consider the following points:

- Environmental protection.
- Biodiversity conservation.
- Opportunities for employment.
- Provision of housing, sanitation, amenities and educational support.
- Company approach to community development.
- Participation in decision making.
- Any other issue, both positive and negative that you consider may be of relevance to the assessment.
- Issues relating to other plantations owned by the company not included in this assessment.
- A copy of the applicable RSPO standard for the country, in which the assessment is being conducted, is available from www.rspo.org. Alternatively please ask Control Union Malaysia Sdn Bhd for a copy.

Your responses will be dealt with in complete confidentiality and will only be distributed to the appropriate persons within the organizations of CUC, ASI and RSPO.

When required your reply will remain confidential. Please add "Confidential" in your response and when preferred your response can be added as anonymous in the public summary of the report. In that case please also add "Anonymous" in your response.

If requested by you, the audit team will make the necessary arrangements to allow you to meet with them during the evaluation.

Please direct your comments to:
