- I am a bank or financial institution that finances or supports companies or organisations that produce or manufacture palm oil, palm kernel oil or related products
- I am a conservation and environmental NGO supporting the sustainable development of the palm oil industry
- I am a social and human development NGO supporting the sustainable development of the palm oil industry
- I am an Affiliate member of the RSPO, indirectly involved in the palm oil industry

## Affiliates

### 1. Operational Profile

#### 1.1 What are the main activities of your organisation?

The National Edible Oils Distributors Association (NEODA) is a UK trade association, who's members include oils and fats refiners, packers, distributors and waste oil collectors (who sell and distribute oils and fats).

Our members represent most key businesses and industries:

Fish & chips and fast foods  
Food service – cost and profit sectors  
Commercial bakeries  
Food manufacturing  
Retailing

---

#### 1.2 What activities has your organisation undertaken to promote sustainable palm oil, the RSPO and/or RSPO members in the reporting period?

NEODA is a proactive member of the UK roundtable on sustainable palm oil and works closely with EFCA (economics climate environmental) and RSPO. We have been supporting sustainable palm oil and its education to our members since 2010. This is part of our annual AGM meeting, where we update members on progress on the RSPO and the new forest risk commodity requirements,

We have two AGM meetings year and RSPO/sustainability is covered at every meeting. The last meeting was at Chester Zoo.

We have now adopted a 100% segregated palm oil requirement, as part of our codes of practice.

---

#### 1.3 What percentage of your organisation's overall activities focus on palm oil?

20.0%

---

#### 1.4 Did members of your organisation participate in RSPO working groups and/or taskforces in the reporting period?

No

---

#### 1.5 Does your organisation have any past or on-going collaborations with public or private sector palm oil industry players to support them in their efforts to increase the production or consumption of certified sustainable palm oil (CSPO)?

Yes

---

#### 1.6 How is your organisation's work on palm oil funded?

As a trade association, we are funded by the members who include AAK, ADM, Daabon, Cargill, Sime Derby and packers who include KTC, Westmill, Friars Pride and Colbeck.

## 2. Actions for Next Reporting Period

### 2.1 Please outline activities that your organisation will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

Now we have committed to 100% segregated palm oil, as part of our code of practice, we will continue to support the efforts of the RSPO and EFCA to the oils and fats industry and general public.

We will play an active role in the UK to support any working groups with other trade associations and retailers and will offer workshops/support to support the usage of sustainable palm.

Our focus this year is educating our members and the industry on upcoming EUDR and UKDR regulations.

## Challenges and Support

### 1.1 What significant obstacles or challenges has your company encountered in the promotion of certified sustainable palm oil (CSPO)? What efforts has your company taken to address these obstacles or challenges?

- Awareness of RSPO in the market
- Difficulties in the certification process
- Certification of smallholders
- Competition with non-RSPO members
- High costs in achieving or adhering to certification
- Human rights issues
- Insufficient demand for RSPO-certified palm oil
- Low usage of palm oil
- Reputation of palm oil in the market
- Reputation of RSPO in the market
- Supply issues
- Traceability issues
- No challenges faced
- Others

Others

Upcoming EUDR and UKDR

---

### 1.2 In addition to the actions already reported in this ACOP report, what other ways has your company supported the vision of the RSPO to transform markets to make sustainable palm oil the norm?

- Communication and/or engagement to transform the negative perception of palm oil
- Engagement with business partners or consumers on the use of CSPO
- Engagement with government agencies
- Engagement with peers and clients
- Promotion of CSPO through off product claims
- Promotion of CSPO outside of RSPO venues such as trade workshops or industry associations
- Promotion of physical CSPO
- Providing funding or support for CSPO development efforts
- Research & Development support
- Stakeholder engagement
- No actions taken
- Others

Others
