1. Operational Profile

1.1 What are the main activities of your organisation?

Koltiva is a leading agritech start-up that focuses on enabling inclusive, climate-smart, and traceable global supply chains backed by our human-centered technology with boots-on-the-ground professional service. We provide end-to-end solutions for all supply chain actors across commodities, including palm oil. Through KoltiTrace MIS apps, we provide traceability and tracking from seed to table.

As part of our commitment to sustainability, we offer extension services known as KoltiSkills. These services utilize our boots-on-the-ground approach to support companies in implementing sustainable sourcing practices within global value chains. Our activities include supply chain mapping and verification, training and coaching, business support, and certification preparation for smallholder farmers to achieve RSPO and ISPO standards. Through these efforts, we promote responsible practices and contribute to a more sustainable future.

1.2 What activities has your organisation undertaken to promote sustainable palm oil, the RSPO and/or RSPO members in the reporting period?

Supported 270 independent smallholders in North Aceh to obtain RSPO certification milestone B. We have conducted over 2600 training and coaching sessions of sustainable agriculture practices to independent smallholders in North Sumatera and Aceh. In 2023 we have mapped almost 10,000 plots and 5000 hectares of independent smallholder plantations. We have supported 4 farmer groups to be certified ready for RSPO in 2024.

1.3 What percentage of your organisation's overall activities focus on palm oil?

14.0%

1.4 Did members of your organisation participate in RSPO working groups and/or taskforces in the reporting period?

No

1.5 Does your organisation have any past or on-going collaborations with public or private sector palm oil industry players to support them in their efforts to increase the production or consumption of certified sustainable palm oil (CSPO)?

Yes

1.6 How is your organisation's work on palm oil funded?

Koltiva's work is funded by integrated plantation companies, consumer good companies, independent palm mills, and NGOs.

2. Actions for Next Reporting Period

2.1 Please outline activities that your organisation will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

In 2024, Koltiva will continue to scale up the support for independent palm oil smallholders to align with RSPO standards. By the end of 2024, we plan to have 1,250 smallholder farmers achieve RSPO certification. In addition, we will continue to support our clients to achieve 100% traceability to the plantation.
