1. Operational Profile

1.1 What are the main activities of your organisation?

Our organization represents Peruvian palm growers involved in the cultivation, industrialization, and commercialization of oil palm and its derivatives. We work to protect the interests of our members, which include organizations providing technical assistance in agronomic management and industrial processing of oil palm, with a strong commitment to environmental responsibility. We aim to address the productive, technical, economic, social, and environmental challenges faced by palm growers and stakeholders in the palm oil value chain. Additionally, we support research on oil palm cultivation and processing, and contribute to the development of statistical data on production and consumption of palm oil and its derivatives.

1.2 What activities has your organisation undertaken to promote sustainable palm oil, the RSPO and/or RSPO members in the reporting period?

During the reporting period, JunPalma actively participated in initiatives led in collaboration with the UNDP, particularly in projects that highlighted the importance of sustainable palm oil and RSPO certification. These efforts focused on raising awareness about the value of RSPO standards and promoting the essential role of independent smallholder producers within the sustainable palm oil supply chain.

1.3 What percentage of your organisation's overall activities focus on palm oil?

100.0%

1.4 Did members of your organisation participate in RSPO working groups and/or taskforces in the reporting period?

No

1.5 Does your organisation have any past or on-going collaborations with public or private sector palm oil industry players to support them in their efforts to increase the production or consumption of certified sustainable palm oil (CSPO)?

Yes

1.6 How is your organisation's work on palm oil funded?

Our organization is entirely funded by its members, which include associations of oil palm smallholder farmers and palm oil extraction companies. These contributions support all of JunPalma's activities related to sustainable palm oil development and sector representation.

2. Actions for Next Reporting Period

2.1 Please outline activities that your organisation will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

In the upcoming year, our organization will continue to strengthen efforts to promote the production and consumption of Certified Sustainable Palm Oil (CSPO) by supporting technical assistance programs and organizing workshops aimed at smallholder farmers and processing companies. We will also collaborate with government agencies, development partners, and the private sector to encourage alignment with RSPO standards. Additionally, we plan to participate in national and international forums to raise awareness of the benefits of sustainable palm oil and foster market opportunities for CSPO-certified products.
