Yes

#### 1.6 How is your organisation's work on palm oil funded?

We are professionally hired by oil palm companies to provide studies, trainings, technical assistance, and consultation services mainly in the field of sustainability implementations to comply with the RSPO P&C Requirements on sustainability and RaCP.

## 2. Actions for Next Reporting Period

### 2.1 Please outline activities that your organisation will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

We will continue to provide consultation services, trainings, technical assistance, and studies to help RSPO Member clients to comply with RSPO Requirements on sustainability and RaCP, to help non RSPO Member clients with providing required knowledge on the advantage of implementing sustainable practices in the production of FFB and palm oil through RSPO mechanism, and to help our client that are in the process of applying RSPO membership to fulfill all the requirements effectively.

In addition, we are in the process of developing public training programs on sustainability implementation and oil palm plantation-specific conservation area monitoring application to help oil palm companies to protect and enhance the quality of their HCV-HCS conservation Area more effectively in an efficient manner.
