

RSPO – Theory of Change (excerpt)

- 9 Long-term Outcomes
- 3 Impact Pillars
- 1 Vision

How do we get there? Communication, Collaboration, Certification

A global partnership to make palm oil sustainable

RSPO is a partnership for progress and positive impact, facilitating global change to make the production and consumption of palm oil sustainable

The palm oil value chain equitably balances the interests of People, Planet and Prosperity

PEOPLE

- L1** Value and utility is derived by palm oil producers of all sizes (smallholders, medium & large growers) from complying to RSPO Standards, systems and procedures
- L2** Labour and social benefits are enhanced across the palm oil value chain, including in human rights, living wages and non-discrimination
- L3** Stakeholder equity (especially for women and Affected Communities) in palm oil production is increased

Improving Lives and Operations

Respecting Labour & Human Rights

Promoting Equity, Equality and Inclusivity

Limiting Climate Change

Demonstrating Environmental Stewardship

Protecting and Restoring Nature

Transforming Markets

Working Together

Advancing and Ensuring Sustainability

PLANET

- L4** Effective climate mitigation actions are implemented, resulting in greenhouse gas emissions reduction and carbon sequestration
- L5** Sustainable environmental practices are demonstrated by RSPO Members and partners, offering a scalable model to other agricultural commodities
- L6** Sustainable ecosystem management is implemented to achieve no deforestation and promote restoration of environmental value

PROSPERITY

- L7** Global trade and markets for certified sustainable palm oil products are resilient and growing, with RSPO recognised as a model for inclusive agriculture
- L8** In partnership, palm oil sustainability standards are adapted, embedded and implemented in production and consumption markets/industries (especially emerging ones)
- L9** Contemporary environmental and social expectations are met by constant progress and innovation in standards, operations and certification, improving prosperity for all
