We continue to engage suppliers to encourage the development of physical supply chain options for the palm derived materials we source. In addition, our network of manufacturing locations that have secured RSPO Supply Chain Certification numbers some 36 individual sites located across the UK, Netherlands, Italy, Spain, Poland, United States, Brazil, Australia, New Zealand Thailand and China. We have numerous individual businesses who have already achieved the transition to 100% physical certified supply. achieve in certain manufacturing locations and also in our B2B businesses where end customer demand for certified input into their finished products does not exist - despite our best efforts to influence them.

As such, we continue to explore commercially viable supply of physical certified inputs - but without demand, it remains a challenge to evolve the market in certain industries or particular geographies.

Ongoing engagement with our customers will continue to deliver their needs and also, to influence and support the move to certified sustainable palm products.

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility (SR) requirements will be done through ACOP and MyRSPO. As the process of verification of the reports is in development, the Shared Responsibility section in ACOP may change in future ACOP cycles. Evidence to show compliance to the SR requirements shall be uploaded via your membership profile in MyRSPO. Please login to your MyRSPO account and upload the relevant policies, plans and relevant reports there. If you do not have a policy or your policy does not cover all items, you will be required to provide a Declaration of Support for the relevant policy items in your MyRSPO profile. Additional information on the required policies and plans applicable to all sectors as well as the annual uptake targets for supply chain actors can be found on <https://rspo.org/members/shared-responsibility> or email the Shared Responsibility team at sharedresponsibility@rspo.org.
