SCS serves the food industry and agribusiness with a large variety of programs throughout the entire value chain. We have more than 25 years of experience in the development of standards, third-party verification and rigorous scientific analysis to clients around the world, helping them to manage risk and increasing their market share, and positioning them as leaders. Among our innovations is the development of the first "Pesticide Free" certification in the 1980s. We were pioneers with the VeriFlora Sustainably Grown standard for flowers and foliage, the FairTrade standard for social compliance and the development of Starbucks C.A.F.E. Standard Practices to evaluate the responsible purchase of coffee. SCS currently manages this program for Starbucks and accredits certification bodies in Latin America, Africa and Asia. Our agricultural certification programs include, among others, ISCC, RSB, Bonsucro, SQF, GLOBALG.A.P., Tesco, and BRCGS.
