4. TimeBound Plan**4.1 Which year did your company achieve (or plans to achieve) its first RSPO P&C certification?**2012

4.2 Which year did your company achieve (or plans to achieve) 100% RSPO certification for all its estates and mills?2026

4.2.1 If the previous target year for G.4.2 has not been met, please explain why

In light of persistent challenges, including ongoing processes such as HGU, FPIC, and RaCP, which are currently in the planning phase, Goodhope has recently undertaken a comprehensive revision of its RSPO Time-Bound Plan (TBP) for 2026. This strategic update underscores Goodhope's commitment to achieving RSPO certification and incorporates provisions for integrating new suppliers, notably smallholder farmers into its supply chain.

4.3 Which year did your company achieve (or plans to achieve) 100% RSPO certification of scheme smallholders?2026

4.3.1 If the previous target year for G.4.3 has not been met, please explain why

In pursuit of completing the Time-Bound Plan, Goodhope continues to engage with key stakeholders. The company acknowledges that the initial goal was established under conservative conditions to ensure achievability. However, the onset of the epidemic has necessitated adjustments to the original plan. Consequently, Goodhope remains committed to implementing necessary modifications to meet the established deadline.

4.4 Which year did your company achieve (or plans to achieve) 100% RSPO certification for all FFB, regardless of source?2026

4.4.1 If the previous target year for G.4.4 has not been met, please explain why

Goodhope recognizes that the timebound is now Planned to the current conditions and circumstances. We believe this makes the target achievable. However, we also recognize that there are some other matters that are beyond the responsibility of the company and involve other key stakeholders. and we are trying to achieve the current targets despite facing complex challenges.

8. Actions For Next Reporting Period

8.1 Outline activities that your company will undertake in the coming year to advance its certification efforts.

We continue to coordinate engagements and capacity building activities to support the implementation of RSPO P&C throughout companies in the group.

For management units that have already achieved RSPO certification, we will provide training and ensure the update of operational procedures to facilitate compliance with the new RSPO P&C.

For non-certified operating units, management systems to ISO standards will be developed and verified as a steppingstone to attaining RSPO standard. Comprehensive training on sustainability practices will be delivered to ensure sufficient knowledge and competency to implement in the operations. We are undertaking efforts to promote RSPO certification of independent smallholders to our partner smallholders.

8.2 Outline activities that your company will undertake in the coming year to promote the uptake CSPO along the supply chain.

We continue internal workshops to understand the CSPO Supply chain and to intensify supplier engagement efforts to promote the benefits of RSPO certification among our suppliers and encouraging our suppliers to obtain RSPO certification.

We are working towards creating a fully traceable supply chain via the processes of supply chain mapping, smallholder mapping, and the implementation of improved traceability procedures. We will be incorporating RSPO certification as a key consideration in our responsible sourcing criteria. Furthermore, we contribute to promoting the positive impacts of the industry.

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility (SR) requirements will be done through ACOP and MyRSPO. As the process of verification of the reports is in development, the Shared Responsibility section in ACOP may change in future ACOP cycles. Evidence to show compliance to the SR requirements shall be uploaded via your membership profile in MyRSPO. Please login to your MyRSPO account and upload the relevant policies, plans and relevant reports there. If you do not have a policy or your policy does not cover all items, you will be required to provide a Declaration of Support for the relevant policy items in your MyRSPO profile. Additional information on the required policies and plans applicable to all sectors as well as the annual uptake targets for supply chain actors can be found on <https://rspo.org/members/shared-responsibility> or email the Shared Responsibility team at sharedresponsibility@rspo.org.

Others

Despite the enactment on the new Omnibus Law on Job Creation, legal uncertainty relating to weak law enforcement and the flexible nature of local legal law, the overlapping of authority and conflicting interests among different government agencies in central, provincial and district level. Governance in natural resource management in Indonesia remains challenging in making sustainability a norm in palm oil industry, with some laws and regulations conflicting with the RSPO principles and criteria. Changing of laws and local government policies driven by political motives and interests discourage investment in sustainability, notably in the implementation of sustainable palm oil for smallholders also new regulation from EUDR – Tackling deforestation and forest degradation in supply chains Palm Oil

1.2 In addition to the actions already reported in this ACOP report, what other ways has your company supported the vision of the RSPO to transform markets to make sustainable palm oil the norm?

- Communication and/or engagement to transform the negative perception of palm oil
- Engagement with business partners or consumers on the use of CSPO
- Engagement with government agencies
- Engagement with peers and clients
- Promotion of CSPO through off product claims
- Promotion of CSPO outside of RSPO venues such as trade workshops or industry associations
- Promotion of physical CSPO
- Providing funding or support for CSPO development efforts
- Research & Development support
- Stakeholder engagement
- No actions taken
- Others
