**2.4 According to the volume information you have provided in Question PT.2.2 and Question PT.2.3, your company's certified palm oil, palm kernel oil and related products uptake is:**

22.45%

**2.4.1 Please provide additional information on your certified palm oil, palm kernel oil and related products uptake calculated in PT.2.4. This may include changes due to business environment, evolving nature of operations or variations due to stock positions**

In the current reporting period, we observed a notable increase in the uptake of RSPO Mass Balance (MB) certified palm oil, driven primarily by increased demand from our customer base. Additionally, we capitalised on a new supply opportunity with an existing customer, contributing to higher volumes of certified product traded. As part of our ongoing commitment to promoting sustainable palm oil, we are actively working to increase the supply of certified products to our existing customers. This strategic focus reflects our broader objective to support the growth of a more responsible and sustainable palm oil industry.
