## 8. Actions For Next Reporting Period

### 8.1 Outline activities that your company will undertake in the coming year to advance its certification efforts.

Palm Pan Lan will continue the process of RSPO certification in line with the set time-bound plan, applying improved processes in resolving outstanding NCs and adjusted workplans due to the delays caused by previous issues in its implementation. It should be considered that not all our landbanks already achieved HGU stage, and thus Palm Pan Lan will focus on land that has already obtained HGU. We will also direct our focus on the Smallholders programme (agronomy assistance & certification program), as well as on the conservation area management programme.

---

### 8.2 Outline activities that your company will undertake in the coming year to promote the uptake CSPO along the supply chain.
