*Wholesaling and Retailing

Kesko is a Finnish listed trading sector company. Kesko's shares are listed on Nasdaq Helsinki. The company's domicile and main premises are located in Helsinki.

Kesko operates in the grocery trade, the building and technical trade and the car trade. Its divisions and chains act in close cooperation with retailer entrepreneurs and other partners. Kesko and K-retailers together form K Group, which is the biggest trading sector operator in Finland and one of the biggest in Northern Europe. K Group's retail sales in 2023 totalled some €13 billion. Kesko promotes sustainability in the whole value chain from production to customer choices. The focus areas of our sustainability work include mitigating climate change, sustainable purchasing, and responsibility for people. We create value extensively for the whole society.

*Private label owning

Kesko's private labels grocery store brands are Pirkka, Pirkka Parhaat, K-Menu and HoReCa brand Menu. Sales of our own brand products accounted for some 20% of retail sales in grocery trade. These products play a significant role in differentiating our grocery stores from the competition, improving profitability, and enabling wide selections for customers. They also allow many smaller producers to get their products on store shelves across the country. Pirkka and Pirkka Parhaat products offer a good price/quality ratio, and have been successful in various product tests and competitions. At the end of 2023, there were some 3000 Pirkka and Pirkka Parhaat products.

Low price is the key competitive advantage of the other own brand product range, K-Menu (over 200 products). The K-Menu products are quality everyday items, such as fresh and processed meat, pasta, juices, frozen foods and canned foods. The emphasis is on staple foodstuffs, that is, products where price makes the most difference to consumers.

*Providing to foodservice

Kesko's private label, Menu, was developed for foodservice professionals. The Menu range includes some 1300 products.
