Actions for Next Reporting Period

6.1 Outline actions that will be taken in the coming year to promote sustainable palm oil.

We have already switched most of our supply of major palm oil containing ingredients to RSPO certified mass balance or segregated supply and we are now aiming to work with our suppliers of the ingredients that contain the smaller percentages of palm oil (less than 2%) Some suppliers are finding it hard to source the palm fractions/derivatives through segregation/mass balance for these certain ingredients and we will continue to work with them through the coming year.

Reasons for Non-Disclosure of Information

7.1 If you have not disclosed any of the above information, please indicate the reasons why
